Pixies

A brand new type of pixie has recently been created to assist with plants, bugs, some gemstones and to help solve problems when people feel entangled. These beings stand between 1" and 7" tall.

The following message came from one of the pixies who moved in under the stairs by my back door.

Skatruvich	asher vystraba.
(pixie's name)	is myself.
Klesuvet	maraneck trenevis
plehet,	
When	looking for me,
vaur	pata kelsh uber
search	the creaky tall
sitravavaskletruhet	pirvanestru sitva
ushaberlok.	
staircase	beyond big birch tree.

Some other pixie words are:

Ahead	skarak
Baskets	presvatraba
Black	penevustra
Blowing	peleshva

Elfin Language

1. 
Please (It's long because "please" has a big meaning)
2. 
Is this right?
3. 
(rain) (colors) (today)
4. 
(elf shoes) (and)
5. 
the earth's plates
6. 
you are
7. 
I am
8. 
treasures
9. 
with some words
10. 
curls and squeaks
11. 
(purple) (green)
12. 
flowers with feet
13. 
it is fun and sad
14. 
today it is raining

As I was writing, they kept insisting that I wasn't writing the "squeaks" into the words properly. Only when I did the "stair-step" wiggles in the lines, as shown above, did they approve.
